How do I qualify?

You qualify if your household income is less than £36,000 per year (consideration will be given if your income is above this threshold in exceptional circumstances such as long-term health conditions exacerbated by living in a cold home).

- Over 70 years of age
- In Receipt of means tested benefits
- Household income of less than £36,000

What measures can I have?

The service provides a whole range of low-cost measures including:

- LED Light Bulbs
- Radiator Panels
- Hot Water Tank Jackets
- Energy Advice
- Draught-proofing
- And so much more
- Draught Excluders

Whilst we are in your home we can do a quick assessment of your property and if we think your property would benefit from larger measures, such as loft insulation, we can refer you to some of our other schemes.
